

## GRANDMA DAY

Grandma day is every at  
6th Avenue Car Wash & Auto Glass!

Need help washing? No problem! One of our staff will help you as you wait and have a visit. It costs no more than if you were washing your car yourself.

This service is available to anyone.

**Not just Grandmas!**

6th Avenue Car Wash & Auto Glass understands that it is important for the seniors in our community to maintain their independence. This became obvious to the owner Shelley (right) and her daughter Shelby (left) when spending time with their Grandma (centre).
